Aglaophamus sp.															1					3				
Alitta succinea																					1			
Amphicteis sp.	1	2				2		1																
Aphelochaeta sp.		1		1	5	3	1		8	2	8			2	2				21					9
Aricidea (Acmira) catherinae		2		1	4	2	2	1	1	3	5	1			1	2	1		2	2			1	
Aricidea (Allia) albatrossae			2	3				2	2			5										2		
Aricidea (Aricidea) wassi	1																							
Aricidea suecica					1													1	2					
Armandia sp.	1	3		1		6	1	2						3	4				2					2
Axiothella brasiliensis													1							2			1	
Chaetopterus variopedatus								1																
Chone sp.				1					1															2
Cirrophorus americanus	2			3		4	1	1		2				2			1			2		3		4
Cirrophorus branchiatus																			4	1				
Clymenella dalesi	2			1		4		1	1					3	1		2	1	3	3				2
Diopatra sp.	4	5				18	2	5		1				17	4	1	1	2	10	2		2		6
Diplocirrus sp.														1										
Drilonereis tenuis											1		1											
Eteone sp.										1				1						3				
Eunoe papillosa						1		2																1
Eunoe serrata					1																			
Fimbriosthenelais marianae												1		1	1	1				1				
Glycera americana						1																		
Glycera n.i.										1			1											
Glycinde multidens									3														2	
Goniada littorea	2	2			1	2		1						1					3					
Goniada maculata			1	1									1			2				1		3	1	
Gymnonereis crosslandi		1			1	2		2		3	1								1					
Hermundura fauveli		1				3		1				1	2		1	8			2	4	4	2		1
Heteromastus sp.					1																			
Kinbergonuphis difficilis					2		4						1				2		1		1	2		
Kinbergonuphis orensanzi				2	1	3			3		1	2	1			2		1					1	1
Laonice branchiata														1						1				
Leitoscoloplos kerguelensis						1																		6
Levinsenia gracilis			1			1		2					1											
Lumbrineris januarii			3		1	1						1		7			3	1				2		2
Lumbrineris tetraura	1	5			3	5	2	1	1	11	2				3					1				3
Magelona posterelongata	1					6		5				2		3	2	1	3		5	10	1	2		5
Magelona variolamellata						2	2						1	3	4	1			6	1				6
Mediomastus sp.	4	3	1			18	4	6		2				6	4	4	3	1	7	9	2	5	1	6
Neanthes bruaca		1	1			1				2		4	1			1	1			5		6	4	
Nephtyidae n.i.									1															
Nephtys californiensis		3		1	1	2	3	1		3	1	1		1					2					
Nephtys fluviatilis				1																				
Nephtys squamosa		1			1	1													2					
Nereididae n.i.	1							1																1
Ninoe brasiliensis	3		3			10	2	3				2	1	2	2	17	12	2		11		1	3	
Nothria sp.								1																
Onuphis emerita oculata	1		1	1			1																	1
Ophelina acuminata														1										
Opisthosyllis sp.						1					1													1
Orbiniidae n.i.	1														1									
Owenia sp.						1		6				1					1			2				
Oxydromus sp.																1								
Paraonidae sp.					4	1			7	4	4													
Paraprionospio pinnata		1		1				2	3	2					2	1		1		1				
Pectinaria sp.	1					1		1	1	2									4	2				1
Pherusa sp.										1														
Pholoe sp.				2	2						2													
Phyllodoce mucosa						2	1							2					1					1
Pista sp.						1																		
Poecilochaetus sp.		2				1				1				1					2					
Prionospio dayi	24	68		1	8	89	24	13	4	3				13	42		1		12					7
Schistomeringos rudolfi										1		1												
Scolelepis cf. texana																				1				
Scoloplos (Leodamas) ohlini																				2			3	
Scoloplos (Leodamas) rubra	1	5		2	2	6	3			3	1			3	3		1		1	3				1
Scoloplos sp.						3	1	1																
Sigambra cf. tentaculata						1				1		2		2	7						1		1	
Sigambra sp.																	1							
Spio quadrisetosa		4			4	2			1	1	1			2	1									2
Spio setosa											2													
Spiochaetopterus nonatoi																1								
Spiophanes bombyx		14		3	1	1	1	3		1				1	1				4					11
Spiophanes duplex	3	3		4	2	3	4	3	8	8	11	3		4				1	21	15	3			14
Sthenelais limicola	1						1		1	1				1					1	1				2
Sthenolepis sp.													1	1					1				1	1
Terebellidae n.i.	1												1											
Terebellides anguicomus						2													1			1		1
Albunea gibbesii		1						2			2								1					
Ampelisca cristata												1												
Ampelisca paria	11	17		2	1	14	23	4						6	2	1	2		3					8
Ampelisca subtropicalis										1	1								1					
Ananthura sp.1													1				1							
Araneus sp.							1																	
Arcturidae spp.		1																						
Astacilla sp.																								1
Atylus minikoi		1				1													1					
Caprella sp.		1				1		2																
Cerapus tubularis	29	33		2			10	16								1		1		1				
Cirolanidae spp.			1					1					7											
Cumacea spp.	4	12		3	1	4	7	3		1	1			2	1				1				1	2
Elasmopus sp.														1										
Hemikalliapseudes cavooreni					5						5													
Heterocrypta lapidea											1													
Idotea sp.				1												1							1	
Leptochela sp.					1						1													1
Liljeborgia sp.					1																			4
Lysianassa sp.							1																	
Megalopa NI																					1			
Mesorhoea sexspinosa											1									1				
Metharpinia sp.				1	3						4				1									
Micropanope nuttingi													1											
Microphoxus moraesi					5		2		4	4	3	1			1			1						
Monoculodes sp.																	1							
Nebalia spp.										1														
Ostracoda	2						2					1												1
Paguridae spp.	1												1	2										1
Pagurus criniticornis																				7				
Photis brevipes	7	10		1	5	1	8	8	1	3		1		1		1	1		1	2		1		
Pinnixa brevipolex													2											
Pinnixa sayana																							1	
Portunus spinicarpus															1								1	
Processa hemphilli						2		1		1	1								3					
Pseudharpinia dentata					1					1														
Resupinus coloni		1					3	1						1					1					
Saltipedis paulensis																							1	
Stenothoidae sp.																								1
Tiburonella viscana				1						1	1													
Abra lioica	4	1	1		1	5	2	9		1		6	1	27	5	21	3	4	13	14		2		10
Acteocina bullata														1										
Acteon pelecais																				2				
Anadara chemnitzi																							1	
Angulus versicolor	1	1		2	1	1				2	1			6				2	1					3
Barnea truncata																						1		
Bivalvia NI (sem concha)																							1	
Casmaria atlantica													1											
Cooperela atlantica								1																
Corbula contracta												1												
Corbula pulchella																			1					
Ervilia nitens											1													
Eulima bifasciata	1								2	1														
Glycymerididae sp.		1																						
Ithycythara hyperlepta	1																							
Lucinidae sp. 1		1						1			1						1		2					
Macoma uruguayensis				1								1		1			1	1	2	1	1			1
Mactra sp.														1		1								1
Natica sp. 1					1	1						1				1			2	1			1	
Nucula semiornata									2	1	2							1	1					1
Nudibranchia sp.											1													
Olivella defiorei	1		2		3		1											1	1					
Parvanachis obesa		1					1													1				
Philine infundibulum												1								2				1
Pleurotomella aguayoi									1															
Pyramidellidae sp.									1															
Raeta plicatella																					1			
Scaphopoda sp.					1																			
Tellina sp.								1																
Volvulella persimilis											1													
Volvulella texasiana				2													1		1					
Amphipholis januarii								1				1		1										
Amphipholis squamata								1														1		
Asteroidea sp.									1															
Ophiuroidea NI (juvenil)	1	8		11	1	1		5	1	10	3			2					1			1	1	3
Ophiuroidea sp.				1									1						1					
Ophiuroidea sp. 2							1							1										
Ophiuroidea sp. 3														1										
Plagiobrissus grandis	3					5	1							1										2
Anthozoa sp.												1	1	1										
Anthozoa sp. 2														1										
Anthozoa sp. 3																								1
Branchiostoma platae					2						2													
Bryozoa sp. 2		1	2		11		1	1	6	10	7	3	3	6	1				13	1				18
Edwardsiidae spp.													1											
Enteropneusta sp. 1																							1	
Entoprocta spp.					1		1	1	1		1	1		1					1				1	3
Nemertea sp.			1					1		2					1					2
